

FACULTY ADVISOR STATEMENT

This is to certify that the engineering design present in Eklavya 5.0 is significant and equivalent to the work that would satisfy the requirements of the senior design or graduate project course. Eklavya 5.0 has witnessed significant improvements on the previous robot Eklavya 4.0 in the areas of mechanical design, electrical power distribution, efficient control, system architecture and intelligent navigation. I wish the team all the success for IGVC 2016.

11/5/2016.

Dr. Debashish Chakravarty,
Associate Professor
Department of Mining Engineering,
IIT Kharagpur

Associate Professor
Department of Mining Engineering
